1. The count of in-quota imports for butter, cream and dry whey is based on permits issued by the Department of Foreign Affairs and International Trade Canada (DFAIT) against Canada's tariff quota commitments. The count of in-quota imports for wheat, barley and their products is based on data from the Canada Border Services Agency (formerly Canada Customs and Revenue Agency). These figures may not equal the quantities reported by Statistics Canada, International Trade Division. In-quota imports are tabulated according to the unit for the tariff quota (e.g., grain equivalent basis), and not on a product weight basis.
